# Work session and plenary session

**How do we increase regional impact on national policies and plans?**

1415 - 1500	Group discussions
1500 - 1530	Plenary presentation by the group leaders
1515 - 1600	Plenary discussion

# What to discuss?

## **Main subject:**

Do we need to increase regional and local impact on national policies and plans?  
If so, how do we achieve that?

Do we need a better coordination between national policies within countries resulting in joined up government?

## **Other subjects to discuss:**

There is one representative from a foreign country in the group. Can you point out similarities and differences in the local and national policies between Norway and the foreign country?

What is working and what is not in national bioenergy policies?

- Laws and regulations.
- Public economic support.
- Taxes and fees.
- Feed in .
- Others.
